

Instruction for Poster Presentation

JSPS A3 Foresight International Symposium on Nano-Biomaterials and Regenerative Medicine

Poster presentation time:

October 8th	Poster Presentation at Lunch Break	12:10-13:30
October 9th	Poster Presentation at Lunch Break	12:00-13:30

Poster presentations will be taken place at Lounge and Innovation Office on 2nd floor in TWIns. The space for each poster is ISO A0, i.e., 841 mm in width and 1189 mm in height. Each poster should be put it on poster board before the beginning of poster presentation (Oct 8th 12:10), and do not remove the poster until the end of poster presentation session (Oct 9th 13:30). Presenters are not obligated to stand by their posters and discuss during these poster sessions, because the presentation times are also lunch time. Thus, concise poster would be suitable for the poster presentation in the symposium.
